Find out if you're registered to vote- sms your ID no to the Electoral Commission at 32810 (sms cost R1)

Re: You can only make **ONE CROSS** on **EACH** ballot paper!

NEW S A PARY will be on the provincial ballot.

DO YOU DESIRE A SAFER LIFE for your family, community and future generations? Feeling disillusioned by South Africa's current political climate? **NEW S A PARTY** is here to restore **HOPE** to the people with our solutions to **THREE** of the **BIGGEST** concerns among all South Africans: **UNEMPLOYMENT, CRIME** and **SOCIAL EVILS**. (drugs, etc) They are interlinked. Finding themselves in an unfortunate financial situation, the fight to survive drives many people to crime – and it affects us all – we have to lock ourselves up behind bars in our own homes !!!.

Readily creating jobs for all unemployed people is practically unattainable. We need to find other intermediate solutions !

The **NEW S A PARTY** believes that all three of these issues can be addressed with the introduction of our **SOBER SERVICE BASIC BENEFIT** (R1000 p.m.) The **SSBB** will be available for unemployed men and women – those who do not receive any other form of financial help from the government. Requirements will be:

- That recipients of the SSBB do monthly service in their communities, such as neighbourhood watch, coaching sport for youth, gardening, maintenance, etc.
- That recipients be sober from alcoholism, drug abuse and illicit activities.

This amount can help people to kick start a small business and become entrepreneurs. This will alleviate the most dire poverty and contribute greatly towards healing our communities from social ills and crime that are currently at the order of the day. And it will ensure a 0% unemployment rate in our country! This will in turn create positive conditions for investments , resulting in more jobs being created, a natural consequence of a strong economy!

Imagine a **SAFE** and **PROSPEROUS** South Africa – a South Africa in which everyone has food to eat, a decent roof over their heads, where children can play safely outside again and we can feel safe in our homes with open doors and windows again ! -

IMAGINE LIVING IN A NEW SOUTH AFRICA !!!

VOTE NEW S A !!! WE ARE NOT POLITICIANS – WE ARE YOU !
